The Club

About Us

Established in 1998 Brisbane River Dragons (BRD) is the oldest dragon boat club in Brisbane. We are a competitive yet social paddling club that train and compete throughout the year.

While dragon boating is our core activity, we provide members with the opportunity to train in a range of canoes types from OC6 and OC2 outrigger canoes and of course the biggest of them all, dragon boats! Our training sessions are tailored for all level of paddlers, social or serious. Our competition goals are being pursued with annual campaigns at the State and National levels becoming more successful each year. BRD has recently been supported by several government grants which have enabled us to further develop our fleet and begin to implement our business plan, which will guide our future growth and development.
